9. Event Description

Written in the format of a newsletter article.

At the end of every school year, the Charlotte-Metrolina Professional Section plans a joint social event with the students from the UNCC Collegiate Section. The event is intended to celebrate the successes of the Collegiate Section over the past year, provide an opportunity for the students to socialize and network with local professionals, and identify any graduating students who may be eligible for an upgrade to Professional level membership.

This year two Collegiate Section members, 6 Professional Section members, and 2 non-members met at the Northcross Lanes in Huntersville for a fun evening of bowling, camaraderie and munching on some food. Bowling skills varied from outstanding to queries of "Is it too late to ask for the bumpers?" Bowling also lagged occasionally as everyone enjoyed the various opportunities to network and meet new people.

The major success for the UNCC Collegiate Section over the past year has been their steady membership numbers, recruitment of freshmen and sophomores, as well as overall increased involvement by their membership. These are tough goals for any Collegiate Section and the students at UNCC should be proud of their accomplishments.

10. Lessons Learned

Things that went well and things that we could do better next time.

I wish more Collegiate Section members had attended. Will inquire at my next meeting with them.
