## *A Study in Engineering Ethics*

September 16, 2010

6:00PM – 8:30PM

Our program will be lead by Mr. Tommy Sherard, P. E. with Duke-Energy and will consist of a video that demonstrates the situation followed by a discussion of the issues described in the video and possible solutions to the questions raised.

Mr. Sherard is a Senior Sourcing Specialist for Power Delivery Strategic Sourcing at Duke Energy here in Charlotte, North Carolina. He is a member of the American Society of Civil Engineers, a member of the National Society of Professional Engineers, and Professional Engineers of North Carolina. With PENC, he has served as a Chapter Secretary, President Elect, and President, Chairman of the Professional Development Committee, Chairman of the Ethics Committee, Chapter Coordinator for MATHCOUNTS, and has been recognized as Engineer of the Year, presented the Distinguished Service Award, and this summer recognized as a PENC Fellow.

Mr. Sherard has a Bachelor of Science in Civil Engineering from Clemson University and is a Registered Professional Engineer in North Carolina and South Carolina.
